interests

machine learning, discrete mathematics, theory of computation, health and social applications of computer science, research, social justice, dance

education

since 2012	**Bachelor of Science**	McGill University, Montreal
	Honours Computer Science, minor in Mathematics	
	CGPA: 3.96/4	
2010–2012	**IB Diploma**	Lester B. Pearson UWC of the Pacific, Victoria (BC)
	Admitted on full scholarpship	
	Grade: 41/42 subject points, 42/45 total	
2005–2010	**Diplôme d'études secondaires**	Collège Notre-Dame, Montréal
	(Secondary School Diploma)	

experience

05–... 2014	**Research Internship, Reasoning and Learning Lab**	McGill University
	Machine Learning classification algorithms to predict extubation readiness in exteme preterm infants.	
06–08 2013	**Art Supervisor and Performer.**	Max Bell Theatre Company, Edinburgh UK
	Play: The Gypsybird Speaks	
	Responsible for the props and the set; dancer	

extracurricular

since 2014	**VP Diversity – Computer Science Undergraduate Society**	McGill University
	Organize up to 5 events per semester, promote diversity and equity in the student body, attend CSUS meetings and particpate and volunteer in the council's activities, act as liaison to other Equity Commissioners on campus	
since 2014	**Hackathons**	Various universities
	McHacks (McGill University): top 10 out of 85 teams	
	HackPrinceton (Princeton University)	
	More info	
since 2014	**Women in STEM volunteering**	Various organizations
	Promoting Opportunities for Women in Engineering (POWE): volunteer during the POWE Conference for Future Women in Engineering – McGill University	
	Volunteer for a full-day HTML/CSS workshop for girls – Girls Learning Code	
since 2012	**VP Promotion – United World Colleges**	UWC Québec Provincial Committee
	Overlook promotion efforts, organize presentations at secondary schools, participate in the selection process to choose new scholarship recipients	
2013 – 2014	**Executive member, Administrative Council**	Club Judo de Verdun
	Website maintenance, social media, communications	
06–08 2011	**Volunteer in a palliative care home**	La maison Desjardins du KRTB
	Cooking for the patients and their family	

distinctions

2014	**Science Undergraduate Research Award**	McGill University

Award to do summer research in the Reasoning and Learning Lab
value of $5600

2010–2012	**Full scholarship to attend Lester B. Pearson UWC**	United World Colleges

International boarding school network working towards peace and a sustainable future
value of $80,000

2010	**General Governor Medal**	Collège Notre-Dame, Montreal

Academic Performance prize

research

12 2014	**Women in Machine Learning Conference**	Montreal

Poster presentation on Using Machine Learning to Predict Extubation Readiness in Extreme Preterm Infants

10 2014	**Undergraduate Research Conference (URC)**	McGill University, Montreal

Selected to represent Computer Science at the URC, a conference organized by the Faculty of Science (top 5 summer research projects)
